There Is a Difference

There are good Plumbers and poor
Plumbers, and you cannot tell the
difference by their looks; but you
can easily tell the difference by their
work. If you have been disappointed
in the work done by some
plumbers, give us a trial. We have
the experience, knowledge and skill
to do the finest work. If you have
any doubt as to the truth of our
statement, ask your neighbors.

EL PASO, TEXAS

A CALIFORNIA STREET BUNGALOW, BUILT BY PHOENIX-EL PASO BUILDING CO.

El Paso Makes New Building Record

The first four months of the present year established a new record in building, according to the figures of the city building inspector. During this period \$1,626,998 worth of work was authorized. During the same period in 1915 the record was \$694,811. The gain this year was therefore \$932,187, or nearly 100 percent. It is predicted that the record for the year will exceed \$4,000,000.

Cook With Gas

The kitchen is clean and comfortable. Unexpected company brings no terrors, for a Gas Range makes it easy to cook for a dozen as for a single person. Your kitchen is never over heated, never mussed up with ashes, dust or the litter from kindlings. No trouble to keep help if a gas range is in the kitchen.
